Dear Ones,

Now let's look at the "Good News" of the Lord's work in the Philippines in January. During the Holidays, you may remember from our December "Philippine Letter," was a time for all our Faculty, Students, and Fieldworkers to be with family, and participate in Youth Camps, Family Camps, and a time to share with their communities. Many were baptized, and good will was spread among their communities, thru a practice of benevolence toward those having hardships. God's love was shown in so many ways.

Our 4 PIBI schools came back to classes January 7th. I invited Brother George Carman, who is a long time Missionary friend of ours, to come to the Philippines, and teach a Bible Seminar in each of the PIBI schools. George's works now is with SIBI, serving all of the SIBI schools in Asia. He conducts specially planned seminars to help the Schools to understand what the Bible teaches about "being effective Missionaries." I asked George to "come by here" on his way from India going to Cambodia. George taught in each of the schools, and the report from our Administrators was that he did an excellent job, and all of them are encouraged by His message. Thank you brother George!

ENCLOSED: An up to date on our 4 Schools. Instead of just numbers, I thought you might see that each number represents "a real person, "and they have a real name. With God's help you are influencing all of these every day. I didn't supply names of Fieldworkers not under PIBI supervision.

In Christian love,

Charles T. Smith and Mary Ann
