

BIBLE INSTITUTE OF SOUTHERN BRAZIL

God continues to bless us and open doors that we never imagined. The church here is in the process of our first church plant. These three weeks we are concentrating on the subject “God and Money”. We have found a place to rent in a rapidly growing part of Curitiba. This will require an increase in the giving in order to rent this building. The church in Curitiba has always given generously towards the preaching of the gospel to the lost. God continues to work and we continue to give Him the glory.

We would like to ask your prayers on behalf of one of our students. He is the youngest student (nineteen years old). He grew up in this congregation and his grandmother is one of the first converts in this city and presently our cook for the Institute. She prepares lunch everyday for the students. About 25 meals.

Tiago (pictured here) was recently falsely accused and arrested for drug trafficking and imprisoned. This happens occasionally here in Brazil especially in certain neighborhoods. He has been in a city prison for one month now. The cell where he is imprisoned should hold about six people. There are over twenty in his cell and they have to take turns sleeping because there is no room on the floor for everyone. They will not allow us to visit or make an appeal in his defense. This has been a devastating event for him, his family as well as the whole church. Tiago always has the smile that you see in the picture in spite of a difficult life. He is preparing himself to preach the gospel and help plant churches. We know

that God is in control of all things and able to do more than we can ask or imagine. We wanted to ask you to remember Tiago in your requests to our heavenly Father.

*May God bless each one of you,
Rod Nealeigh*
