

## **WORLD MISSION FROM SOUTH FLORIDA**

### **The Pineda Report**

#### **LOCAL MISSION: Broward, Florida**

35 years of hearing the gospel ended in a very emotional CONVERSION. Glory to God!

*Baptism of Laura del Cid*

Laura del Cid and her husband heard the gospel of Christ for the first time 35 years ago in El Salvador. They had two years of marriage when her husband was baptized but she postponed her decision and refused to do it up to now. Laura said: “I just felt the call and I had to do it. Now, I feel good not only spiritually but also physically.” God is so good with all people. Never is late when the salvation calls to your door.

#### **RADIO MISSION: World Radio & Pan-American Broadcasting**

This month I began a 30 minute-radio program that will cover United States, the Caribbean, Central and part of South America. This program began on June 4<sup>th</sup>. (Saturday) from 6:00 to 6:30 p.m. The name of this program is “Reflex ions of the Soul”. Please, pray for the seed that is going to be planted possibly in over 100 million of Spanish speaking people.

#### **The Caribbean MISSION: CUBA**

Our trip to Cuba was a real success last May. About 33 preachers and leaders from all over the Cuban nation came to our 1 week seminar in La Habana, Cuba. We were teaching about the organization of the church and how to reproduce leaders.

## **The South America MISSION:**

### **Quito, Ecuador**

After three years, I went back to Quito, Ecuador. I was invited and honored with the opportunity to deliver the graduation sermon. Ten (10) students graduated on May 28<sup>th</sup>. The next day, I preached for the North Quito church about the gift of God, His Holy Spirit. Over 50 people came forward to respond the invitation for prayers and other needs. Then, I was teaching a seminar “Leaders who produce leaders” on May 29<sup>th</sup>. About 120 people attended the seminar and God was so good to allow me to share how to multiply leaders in their congregations. The same week I met with other groups from other congregations who asked me how they can experience a real growth spiritually and numerically. That was a period of talking, sharing, praying and tears in some of them as I left with Maritza and Astrid (my youngest daughter). Astrid really enjoyed the company of her best Ecuadorian friend, Nicole. At the beginning of our trip, Maritza was not feeling well because of the altitude, 9,200 ft., but later she got better. As we were encouraged by several brethren from West Broward Church of Christ, we were also able to visit several poor families who really need some food and we gave them what we received from the W.B. brethren.

### **Mara cay Venezuela**

Our Extension School is also growing. We agreed to send our materials to a Bible school in Mara cay, Venezuela. Jorge Perez began his school period with 40 students and some others are coming on Saturday from other cities. Now, they are studying our Homiletic DVD lessons. We also sent them a well known speaker from Sunset International Bible Institute in Lubbock, Texas (our main school) Rudy Wray, who taught a one week seminar. They all were pleased by Rudy's teaching.

**FAMILY MATTERS:**

My family is doing well. Lesley, my oldest daughter finished her high School. She decided to stay with us and begin her studies at Nova University which is a good university close to our house. Maritza is doing much better after her operation and I personally see her more beautiful everyday. Vanessa is going to High school and Astrid is going to 7<sup>th</sup>. Grade I have to rejoice in God for all of them and their accomplishments. Astrid, for example, made a 4 points average. I call her my straight A's girl. What can I say? God is so good with us by giving more than we ask for.

May God bless all of you! We ask for your prayers and if God has placed the desire in your heart to contribute with this ministry in any way, please write us to:
