Prospective Graduates...

If God allows it, these three brothers and students of the third level of ILEB will be the ninth generation of graduates. They are: Merced Tejada, Dolores Reyes (they are married) and Jorge Soriano (a young single) from the church here in Toluca.

They are very excited and desire make every effort to complete their instruction. Merced and Lolita have many legal troubles related to their home and are in risk of losing it. However, they are happy to be studying and with their development in the course. Jorge is a professional in Business, but he is looking forward to completing his certificate in ministry so that he is better equipped to evangelize people- Roberto Zepeda

Victor Salgado

It is with great pleasure that I write to you this letter. My name is Victor Salgado, I am a bible professor at ILEB, in Toluca México.

I send this with warm greetings and hugs and I am very thankful for all of your support. I want to keep you informed about my activities in the institute as well as in the church.

This is my third year teaching the first level courses and seminars at the institute, I am also helping to photocopy workbooks for extension school, doing administrative work and actively participating in many church activities (sermons, sunday classes, evangelism, etc) as well.

In addition, we have created a team to support another church of Christ in San Miguel

Allende, Guanajuato (a town four hours from here) once a month. Last year, I had the privilege of baptizing some people after sharing the word of God.

Currently we are working hard to plan the preaching and teaching program for the year. We feel very blessed in every way serving the Lord here.

The Gutierrez Family

Last month, in December of 2008, we celebrated the two year anniversary of church plant in San Pedro Cholula. Four families, including our own, were invited by three sisters from San Pedro to work in this small town. God has blessed us very much in Cholula and for this my family and I are very content. In January our church was invited to participate in services with the church in Toluca. I was asked to preach and Many of the families from Cholula came with me. As we fellowshipped with the brothers in Toluca we shared the many blessings that God has done in our lives and in our church. My family consists of my wife Marisela, my oldest daughter Brenda Alani, my youngest daughter Julieta Lisseth and me, Arturo Gutierrez.

Federico and Lidia

Therefore go and make disciples of all the nations, baptizing them in the name of the father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age. Matthew 28:19-20

God not only wants me to have the blessing of studying and learning his word, but also that I can apply it with everyone He sends my way. During the month of December we had a lot of blessings, a new between church and building, bigger and nicer, for us to meet in, in San Pedro Cholula. We also had the opportunity to share the Gospel with a woman that decided to be baptized. Her name is Susana Cruz and now she belongs to the Kingdom. We want to thank you for your lives, and for all the support that you have given us. We're praying for you and asking God to continue to strengthen you and to multiply your blessings. Thank you for all the gifts you sent us. God bless you

Adam y Joselyn

Now that the craziness that is a wedding, honeymoon and setting up a house has past, we are starting the slightly less hectic process of starting a marriage and adapting to a new life. Joselyn and I have sat down with the youth group and the other youth leaders, Jorge and Reyna, and made a plan for the year. We have written out a calendar for different activities that we would like to have throughout the year. We are pushing hard for all the young people to take a stronger interest in their group and the leadership of it. We ask that you be praying for our upcoming activities with the youth. Our first activity of the year is a lock-in at the building on Friday February 6th. Thank you for your support and prayers. God bless you as we work together for God's glory.

Dear brothers and sisters from Sherwood Church of Christ, this is our 1st report of the year; the purpose of this report is to keep you informed about what's going on here in Toluca. You guys have been supporting the work of 6 families and one single man and we want to inform you about all of them in this little report sheet.

Adam and Joselyn Bentley, whom just got married, you know them well. Raul and Kim Solis, people you know very well. Victor Salgado, he's a teacher for ILEB. Jorge and Reyna Perez, Federico and Lidia Huerta, Arturo and Mary Gutierrez, are the 3 student families that have scholarships for ILEB. And us Roberto and Bety Zepeda.

We are trying to make this type of report available for you every month. Please keep on praying for each of us, for the Church in Toluca and the Church in San Pedro Cholula.

We send our greetings and a big hug to each one of you that make our work for the Lord possible here. May God blessing you!
