SUNSET INTERNATIONAL BIBLE INSTITUTE

BACK TO CAMBODIA

On Sept. 23, I will head back to Cambodia to teach at Cambodia Bible Institute (CBI). I will be teaching Christian Evidences. That should prove to be a valuable course for our Asian students. I will return home on Oct 19, 2006.

CBI began its Fall term last month with James Lork teaching 10 students. He is teaching the books of Ephesians/Colossians. One of our new students is not on scholarship but is taking the class for credit.

Things seem to be working out nicely in the new facility. There is adequate room both for present students and for future growth.

Our students in Cambodia have been busy over the Summer break. They have preached consistently in the countryside churches, baptized many and participated in a campaign to establish the church in Siem Reap, the second largest city in Cambodia.

MY HEALTH

My hernia surgery was a huge success and I am way ahead of schedule in my recovery. Thanks for your inquiries and for your prayers on my behalf.

MORE CAMBODIANS OBEY THE GOSPEL

Here is a brief summary of fruitful efforts during the month of August.

- On August 8, 2006 Sokhon and James went to preach at Tangkok Kampongton (150Km from the city). We had good crowd of over 60 people.
- On August 5 there

were three baptisms at Prai Ta Chey, Sokhon and Sothea did the baptizing.

- On August 12 James baptized one person at the Phnom Penh church of Christ.
- On August 19, there were 13 baptisms at Kra Sang Phaem. This

is a village I visited on one of my trips to Cambodia. We got stuck in the mud in this village.

- Sept 3, 2006 Lep Pong taught at TNT and baptized 13 people.
- During August students participated in a campaign to establish the church in Siem Reap.

God is blessing this work!
